

3-Day Residential Workshop

CBO Management and Sustainability Planning

10-12 September 2024

Course Concept:

Community-based organizations (CBOs) play an important and vital role in providing services at the local level. A paradigm shift in social development initiatives has called for empowering these CBOs who will take forward any or all of the development initiatives. Here we see the hand holding process getting reduced and the enabling and empowering process taking over.

In our effort to support NGOs to focus on SDGs, KKID has designed relevant capacity building programmes that will enable a smooth transition of responsibility from NGOs to CBOs. At the same time, KKID supports CBOs with the Management Development Programme that will build the managerial capacity of CBOs to enable them to work towards self-sustainability.

The programme will focus on:

- ★ Confidence Building and Motivation
- ★ Building and Empowering Community Leaders
- ★ Enabling Community Participation.
- ★ Match Community Needs with Community Resources
- ★ Managing and resolving Community Problems
- ★ Sustainability Planning through Income Generation Activities

Who Can Participate?

CBO Leaders, NGO Staff working with communities, Field Animators and social activists promoting community based organisations are welcome to participate.

Facilitator: Mr. Suneel kumar is a post-graduate Diploma holder in Rural Development and leading a Non-Governmental Organisation located in Prakasam District, Andhra Pradesh since 1986. He is a highly experienced and respected expert in the field of Asset-based Community Development, with more than 40 years of experience in community development, facilitation, and capacity building. He has worked extensively with communities, organisations, and Governments to build capacity, promote community led-initiatives, and foster sustainable development.
